# In the milking parlour

- Milk travels from the cow to the Bulk Tank
- The lorry picks the milk up and takes it to the Factory
- The milk is bottled and sent to the shops
- Trust food – trust the Logo – Trust the Tractor

# Who works on the farm?

# The Cows

# The Calves

# Farm Jobs

# Remember: Trust the Tractor

Look out for the Red Tractor logo with the Union Jack flag.  
If you see this symbol, it means the milk has come from farms like mine
